(adapted)

## **New Uniform Parent & Staff Consultation**

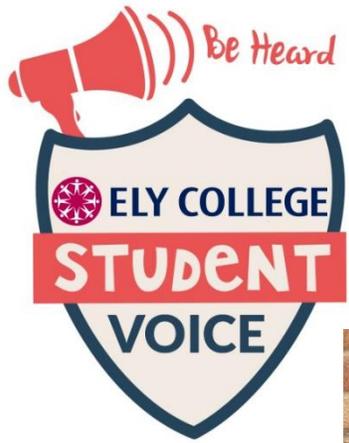

Our aim is to ensure that the new uniform is affordable to all, and similar in overall price to both the current uniform and other local schools. We are especially mindful of our current Year 10s, and are exploring how we can ensure that some form of subsidy is available to parents.

A final decision will be made as soon as we return from the Easter break, and details of how to order the new uniform will be shared early in the new term to give plenty of time for September. Final decisions will be showcased to Parents at the 'In the Loop' parent forums as mentioned in the latest newsletter.
