Dear Parent/Carer

With the second half of Spring Term firmly underway, our Year 11 students are working hard and are focused on being prepared for their GCSE exams this summer.

In order to further support our students, we are offering a series of reinforcement, coursework and revision sessions over the two week Easter break.

You will find the planned schedule attached with sign up boxes available to tick for each session your child wishes to attend.

Please can you ensure that this schedule is filled in and returned to their form tutor as soon as possible to enable us to ensure that sessions for larger subject areas are appropriately and effectively staffed.

The morning and afternoon sessions will run from 10am to 12:30pm and 12:30pm to 3pm respectively, unless otherwise stated in the schedule.

The LRC will also be available in the first week during these hours for quiet study.

Please note that there will be no catering facilities available during this time and thus if students are staying for a whole day then they will be required to bring a packed lunch.

Students will need to sign in at the main reception and sign out when they leave. Should you have any further queries then please do not hesitate to contact us.
